Dear Shareholder

Date of Meeting: 20 May 2022

It is intended that the AGM this year will be held as an open meeting and shareholders be able to attend in person. If government guidance changes due to COVID19 and means that the AGM has to be held as a closed meeting, we will release a statement by 18 May 2022.

The company would appreciate notice from any shareholder who plans to attend the meeting (please email marcus@reiplc.com) but would encourage shareholders to consider whether attendance is appropriate and instead take advantage of the opportunity to submit questions in advance of the meeting.

Actions to be taken by shareholders

Unlike previous years, and in order to reduce the Company's environmental impact, you will not receive a hard copy form of proxy for the 2022 Annual General Meeting in the post automatically. Instead, you will be able to appoint a proxy electronically using the link www.signalshares.com. Details of how to appoint a proxy in this way are set out on page 2 of this document.

Alternatively, you may request a hard copy form of proxy directly from our Registrar, Link Group. Details of how to request, and complete, a hard copy form of proxy are set out on page 2 of this document. All proxy instructions must be received by the Registrars by no later than 11am on 18 May 2022.

If you have any questions that you would like to be raised during the AGM, please email them to me on the following email address marcus@reiplc.com and I will respond following the meeting.

Please note that the 'Notice of Annual General Meeting' is attached to this letter.

Yours faithfully

Marcus Daly FCA
Finance Director

The rights to appoint a proxy cannot be exercised by a Nominated Person, they can only be exercised by the member. However, a Nominated Person may have a right under an agreement between him and the member by whom he was nominated to be appointed as a proxy for the Meeting or to have someone else so appointed. If a Nominated Person does not have such a right or does not wish to exercise it, he may have a right under such an agreement to give instructions to the member as to the exercise of voting rights.

5. CREST members who wish to appoint a proxy or proxies by utilising the CREST electronic proxy appointment service may do so by utilising the procedures described in the CREST Manual on the Euroclear website (www.euroclear.com/CREST). CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf. In order for a proxy appointment made by means of CREST to be valid, the appropriate CREST message (a 'CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear UK & Ireland Limited's ('EUI') specifications and must contain the information required for such instructions, as described in the CREST Manual. The message (regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy) must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID number – RA10) by the latest time(s) for receipt of proxy appointments specified in the notice of meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
6. CREST members and, where applicable, their CREST sponsors or voting service providers, should note that EUI does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

Explanatory notes:

Resolution 7 – Directors' power to allot relevant securities

Under section 551 of the Act, relevant securities may only be issued with the consent of the members, unless the members pass a resolution generally authorising the directors to issue shares without further reference to the members. This resolution authorises the general issue of shares up to an aggregate nominal value of £5,979,263, which represents one third of the nominal value of the current ordinary share capital of the Company and a further issue of shares up to an aggregate nominal value of £5,979,263, which represents a further one third of the nominal value of the current share capital of the Company for the purposes of fully pre-emptive rights issues. Such authorities will expire at the conclusion of the next Annual General Meeting of the Company.

Resolution 8 – Disapplication of pre-emption rights on equity issues for cash

Section 561 of the Act requires that a company issuing shares for cash must first offer them to existing shareholders following a statutory procedure which, in the case of a rights issue, may prove to be both costly and cumbersome. This resolution excludes that statutory procedure as far as rights issues are concerned. It also enables the directors to allot shares up to an aggregate nominal value of £896,889, which represents five per cent. of the nominal value of the current ordinary share capital of the Company, subject to resolution 7 being passed. The directors believe that the limited powers provided by this resolution will maintain a desirable degree of flexibility. Unless previously revoked or varied, the disapplication will expire at the conclusion of the next Annual General Meeting of the Company.

Resolution 9 – Authority to make market purchases

In certain circumstances it may be advantageous for the Company to purchase its own shares and this resolution seeks the authority from members to continue to do so. Authority was given to the Company to make market purchases up to an aggregate of 17,937,790 of its Ordinary Shares at the Annual General Meeting held on 28 May 2021 (being equal to approximately 10 per cent of the Company's issued ordinary share capital at that time). This authority is due to expire at the end of the Annual General Meeting and it is proposed that the Company be authorised to continue to make market purchases up to an aggregate of 17,937,790 Ordinary Shares, representing approximately 10 per cent of the Company's current issued ordinary share capital. Renewing the authority for the Company to purchase Ordinary Shares in the market is intended to allow the directors to take advantage of opportunities that may arise to increase value for members. The directors will exercise this power only when, in the light of market conditions prevailing at the time, they believe that the effect of such purchases will be to increase earnings per share and will be likely to promote the success of the Company for the benefit of its members as a whole. Other investment opportunities, appropriate gearing levels and the overall position of the Company will be taken into account when exercising this authority. The price paid for Ordinary Shares will not be less than the nominal value of 10 pence per share nor more than 105 per cent. of the average middle market quotations for such shares as derived from the AIM Appendix to the Official List of the London Stock Exchange plc for each of the five business days immediately preceding the date on which the purchase is made.

The Company may hold in treasury any of its own shares that it purchases pursuant to the Act and the authority conferred by this resolution. This gives the Company the ability to reissue treasury shares quickly and cost-effectively and provides the Company with greater flexibility in the management of its capital base. It also gives the Company the opportunity to satisfy employee share scheme awards with treasury shares. Once held in treasury, the Company is not entitled to exercise any rights, including the right to attend and vote at meetings in respect of shares. Further, no dividend or other distribution of the Company's assets may be made to the Company in respect of the treasury shares.

The Directors have no present intention of purchasing Ordinary Shares in the market. The authority given under this Resolution will lapse, unless renewed, at the conclusion of the next Annual General Meeting of the Company. It is the present intention of the directors to seek renewal of this authority annually.
